Other information

- Room hire rates include the provision of basic audio visual aids. These are white board with dry wipe pens, projection screen and one data projector.
- Triple data projection is available in the seminar room along with web link facilities to external conferences anywhere in the world.
- The training room and seminar room are also fitted with ceiling camera facilities and can also beam out live via the web to anywhere in the world.
- A discount of up to 10 per cent may be available for regular users and for all registered charities. Details must be provided at the time of booking.
- The charge for an audio visual technician on duty is £40 per hour standard rate. Evenings (after 17.30) and Saturday are charged at time and a half and Sunday double time.
- VAT is levied on all hire charges for external clients, King's Healthcare Trust staff and Guy's and St Thomas' Trust staff.
